Humber's Journalism advanced diploma program is designed to produce dynamic storytellers who are immediately ready to work

As a journalism student, you'll gain hands-on skills that are at the forefront of today's journalism industry, including reporting the news

Our program features:

courses with a focus on digital media, online publishing and developing web content including social media

experienced faculty working in industry bringing extensive and exclusive media connections

entrepreneurial skills advice for today's highly competitive media communications market

hands-on technical and production training including broadcast equipment, digital prepress, TV production and multimedia management

real-life experience working on our online news site [humbernews.ca](#), Humber Et Cetera campus news online, Radio Humber 96.9

valuable industry exposure and contacts through field placements that help you build your network and résumé

Students will participate in a mandatory field experience which takes place in the last semester of study. After completing a field experience

Industry partners include but are not limited to: CBC (TV News, Radio News, Talk Radio, Online and Podcasts), CTV (News Channel),
