[Length: 4 semesters](#)

Humber's Practical Nursing program prepares students with the necessary knowledge and skill for an in demand, rewarding career.

The comprehensive curriculum includes nursing theory and practicum experiences as well as a foundation in anatomy, physiology and chemistry.

During the program, practical nursing students will participate in 1,030 hours of unpaid mandatory professional practicums. Practicum experiences are an integral part of the program.

Mandatory professional practicums provide students the opportunity to integrate nursing skills and knowledge in a supervised setting.

In Semester 1, students learn and practise important nursing skills in Humber's simulation learning lab. Semester 2, practicums occur in a variety of settings.
