Business Administration

Advanced Diploma

Program Code: 02511

Campus: North

Length: 6 semesters

Humber's Business Administration advanced diploma program allows you to develop extensive knowledge on how businesses work.

Courses in operations management, accounting, finance, human resources management, strategic management, marketing research, and business law.

There are limited spaces for students to mix optional co-operative education with their academic learning in alternating semesters.

Students not selected for optional co-operative education placements will complete the standard 84-hour field experience course in semester 6.
