Graphic Design

Advanced Diploma

Program Code: 11571

Campus: North

Length: 6 semesters

Humber's Graphic Design advanced diploma program develops creative and strategic designers who wish to execute a wide range of projects.

Through a mix of theory and hands-on practical training, you will combine art and design to produce unique visual communication solutions.

As part of the interaction and design common platform cluster, you will be trained on industry-based skills, technology and current trends.

Students will participate in a mandatory field experience which takes place in the last semester of study. After completing a field experience, you will be prepared to enter the workforce.
