Pharmacy Technician

Diploma

Program Code: 07731

Campus: North

Length: 4 semesters

Humber's Pharmacy Technician diploma program prepares graduates for various careers in pharmacy including community, hospital, and retail.

Benefit with hands-on learning in simulated labs with low student/teacher ratios and expert faculty who are active in the pharmacy industry.

Courses are designed in consultation with practising pharmacy professionals and focus on key competency categories such as legal, clinical, and business.

Mandatory professional practicums provide important workplace experience and industry contacts. Students will complete two unpaid placements.
