Community and Justice Services

Diploma

Program Code: 11171

Campus: Lakeshore

Length: 4 semesters

Humber's Community and Justice Services diploma program will prepare you to help create safe and healthy spaces by applying

Our curriculum:

combines theory and applied skills and is delivered in dynamic and interactive ways

emphasizes the importance of taking proactive rather than reactive measures to community needs

focuses on the development of strong interpersonal, problem-solving, group dynamics, and non-violent de-escalation strategies, and

gives you the tools to deconstruct oppressive systems and practices

is regularly reviewed by our advisory committee, ensuring the program is always on the cutting edge of developments in the field

prepares you for occupations where you will work with people in conflict with the law and other marginalized client groups

teaches you to develop community programs, understand correctional facilities, and engage in transformative change and restoration

In addition, you will engage in an intensive 400-hour field experience, obtain field-related micro-credentials and participate in program

Our faculty

are diverse, skilled, committed and have direct work experience within community agencies and institutional correctional services

bring their strong educational credentials and active research in the field

have strong ties to community agencies and initiatives. Combined, they bring expertise in areas such as program management, coordination

You will have an opportunity to practice your skills and apply theoretical knowledge during a comprehensive 400-hour field experience

With the support of a dedicated field advisor, students will use job search skills to find, apply for and interview with organizations in
