[Emergency Telecommunications](#)

[Ontario College Certificate](#)

[Program Code: ET011](#)

[Campus: North](#)

[Length: 1 semester](#)

Humber's Emergency Telecommunications certificate program gives you the skills to answer the most important calls a person may have.

The program is designed in consultation with – and is supported by – police, fire and emergency medical services (ambulance services).

You will learn call management, orientation to pre-hospital care, crisis intervention and professional issues, equipment/lab operation.

Graduates of this program will be part of a highly specialized workforce. Various safety/emergency service employers offer professional opportunities.

This program is not available to international applicants.
