[Length: 3 semesters](#)

Humber's Academic Upgrading (AU) program, offered at Humber's North Campus, is a tuition-free program. It gives you the opportunity to earn a certificate of completion.

The faculty and staff in the AU program are committed to helping students form a clearer picture of their educational and career goals.

The AU program also offers students assistance in:

- developing individualized training plans

- defining career and educational goals

- finding support and resources that lead to success

Note: Students can earn the Academic and Career Entrance (ACE) certificate by completing ACE Communications (ACEC E10), ACEC E20, and ACEC E30.

This program is not available to international applicants.
