User Experience (UX) Design

Ontario Graduate Certificate

Program Code: UX511

Campus: IGS, North

Length: 3 semesters

Humber's User Experience (UX) Design graduate certificate simulates the interdisciplinary approaches needed to achieve an innovation.

You will learn human-centered design methods and rhetoric that ground your design in the needs of the public. In addition, you will

As a user experience designer, you will employ the work-practice of prototyping concepts in order to describe ways to integrate digital

All courses are hybrid and will combine online and in-class instruction and studio work.

This program includes a 160-hour (minimum) field experience which may be completed full time in the third semester.
