Business Management - Financial Services

Diploma

Program Code: FI211

Campus: Lakeshore

Length: 4 semesters

Developed originally with the Institute of Canadian Bankers (ICB) and industry professionals, Humber's Business Management – Financial Services diploma is a graduate-level program that provides students with the skills and knowledge to enter the financial services industry.

As a graduate, you'll be able to help individuals with everything from banking, consumer credit and life insurance to personal financial planning.

For students starting in September or January, there is a scheduled one semester break between second and third semesters.

A 150-hour (minimum) field experience will give you valuable practical industry skills and preparation for employment. You'll find your field experience placements in a variety of financial services organizations.
